Sustainable Kingston's mission is to enhance the livability
and resiliency of Kingston.

WE DO THIS BY SHARING KNOWLEDGE AND PROVIDING
PROGRAMS THAT DRIVE COMMUNITY ACTION.

2016 - 2020

SIX PRIORITY AREAS

**SUSTAINABLE
TRANSPORTATION**

**ECONOMIC
PROSPERITY**

**CLIMATE
ACTION**

**SENSE OF
COMMUNITY**

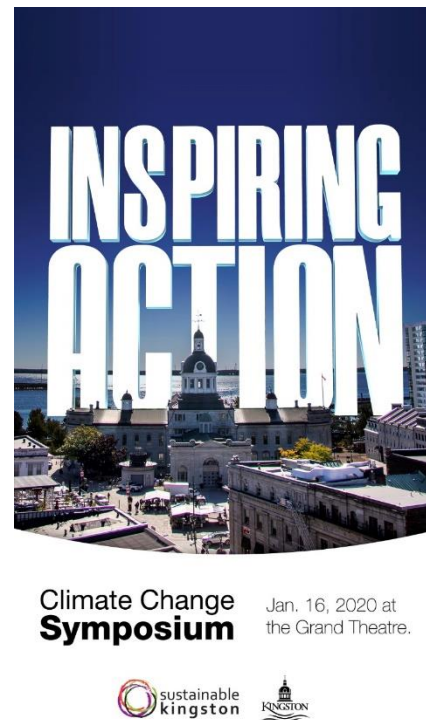

**ENVIRONMENTAL
STEWARDSHIP**

**FOOD
SECURITY**

Events and Campaigns

Pitch-In Kingston 2019

Evening of Recognition

Climate Action Working Group: Monthly Campaigns

In 2020, Sustainable Kingston will focus on one specific area of sustainability.

Each month, we will host a free workshop on this topic and dedicate our social media efforts to increase awareness about this issue and strategies to address it.

Upcoming Workshops

Plant-Based Eating

January 23rd - 12:00pm – 1:00pm

Seaway Co-working (275 Queen St)

Presenters: KFL&A Public Health Dieticians

Building Automation Systems

February 20 - 12:00pm – 1:00pm

Seaway Co-working (275 Queen St)

Presenting: Johnathon Da Silva, Calderwood Automation

Green Economy Leader

The first badge every member earns.

By joining the program, you commit to climate action by reducing environmental impacts associated with GHG emissions and support the local climate action movement.

Green Economy Hubs

Hamilton and Burlington

Kingston

London

Ottawa

Sudbury

Waterloo Region

York Region

- 250+ businesses engaged
- To date, businesses in Green Economy Hubs have collectively reduced **200,000 tonnes** of GHGs – the equivalent of taking over **42,000 cars** off the road for one year.

Climate Action

Trailhead, the Tea Room, and Stone Mills Cleaning Services offset their carbon emissions by planting trees.

Tara Natural Foods implemented a refrigerator heat capture project. Tara has significantly lowered its use of natural gas by 57% since baseline year.

Climate Action (continued)

MacKinnon Brothers Brewing created a cold cellar by blasting away limestone bedrock which means that 80% of the year they don't need to use any additional cooling methods

KFHC Upgraded over 300 new stove ranges with Safe-T-Elements, saving 166 kWh per stove each year.

Living Wage

Weller Pharmacy, Stone Mills Cleaning Services, and Channel 3 Communications are Living Wage Certified.

This increases employees' quality of life, reduces poverty, and strengthens the community.

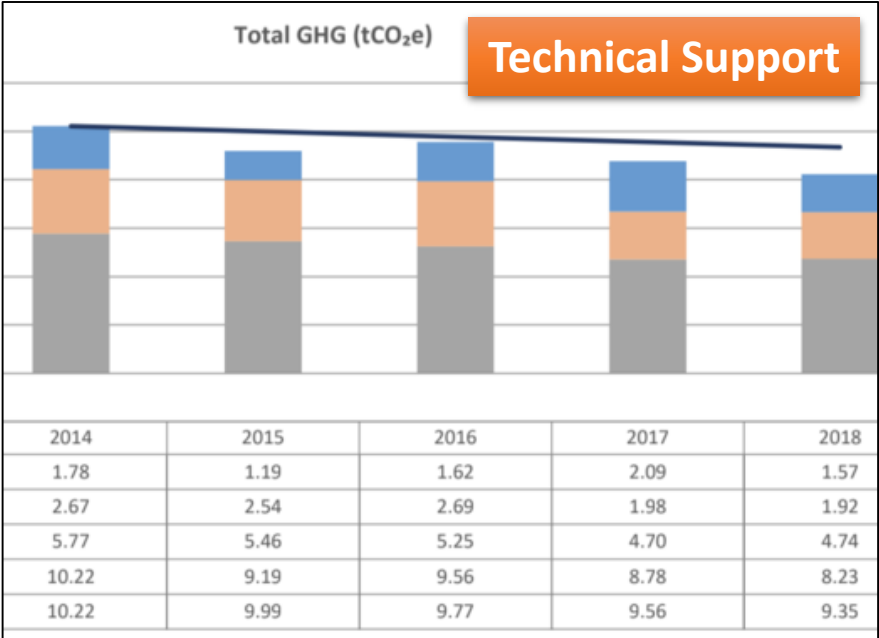

Food Recovery

Many sustainably.eco members partner with the local food rescue program.

From October 22, 2018 - February 24, 2019 Queen's Hospitality Service provided 5,071 meals to the community.
